I hereby request membership in the North Allegheny Sick Leave Bank. In doing so, I authorize the North Allegheny School District to deduct the required number of sick leave days* from my individual cumulative total to meet the provisions of Article XXII and Appendix E of the 1991-1996 Collective Bargaining Agreement between the North Allegheny School District and the North Allegheny Federation of Teachers.

** Individuals must donate two (2) days to the Sick Leave Bank in the first year of their participation. New teachers who wish to become members will donate one (1) day to the Sick Leave Bank their first year of teaching and one (1) day their second year of teaching. Thereafter, they will comply with the provisions in the paragraph below.*

It is the intent that membership in the Bank will be continuous and will be renewed annually by contributing one (1) day by September 30, unless the Sick Leave Bank Review Board, which shall be the sole agent for monitoring the Sick Leave Bank's usage, determines that each member need not contribute one (1) day in a given school year. Such determination shall be made by September 1 of each year.

Membership in the Sick Leave Bank shall continue until such time that I inform the district by certified mail to cease such action.

In making such contribution and providing such authorization, I accept, subscribe to, and will abide by all the qualifications, limitations, procedures, and other provisions set forth in Article XXII and Appendix E.
